

Cotton Belt Appendix D: Engineering Documentation

No.	Name of File	Date
1	Preliminary Engineering 5% Design Report	August 2013
2	CADD File Management Manual	September 2010
3	Systems Integration TM	November 2010
4	Safety and Security Certification (SSCP) TM	November 2010
5	DRAFT – Design Criteria Manual Volume 1	January 2011
6	Existing Track Assessment Report	February 2011
7	Existing Signals Assessment Report	February 2011
8	Design Criteria Volume 2	February 2011
9	Systems Preliminary Engineering – Sketches Report	March 2011
10	Grade Separation Analysis Report	August 2011
11	Final Preliminary Engineering 5% Design Cost Estimate	August 2013
12#	Final Preliminary Engineering 5% Design Station Layouts	August 2013
13	Supplemental Graphics	December 2013

Station Design Layouts are included in the back of the Design Plans Package.

Station Layouts are included in the Design Plan Set under separate cover.
